Competition for Innovative Design for Toilets in Delhi

Win prizes and also be a partner to end open defecation in Slum & JJ Bastis of Delhi

Delhi is having more than 675 slum & JJ Bastis which are facing problem of open defecation. Delhi Government is committed to make slum & JJ Bastis of Delhi open defecation free for which DUSIB intends to take immediate steps to provide more than 10000 toilets in 2016-17.

Architectural concepts on modular design for construction of 30/40 seater toilet complexes in two categories of permanent and semi-permanent/pre-fabricated structures are hereby called from individuals/organizations/agencies for providing toilet facilities in slum & JJ Bastis in Delhi. Following broad parameters, to be considered in design are given below-

1. The designs should demonstrate innovations in:
    a. Efficient use of water
    b. Ventilation and daylight utilization
    c. Ease of hygiene and cleanliness
    d. Adequate prevention against storm water
    e. Effective surface drainage
2. The proposal should be detailed out on method for waste disposal by way of septic tank(s) or other innovations, including prevention of back-flow due to external flooding.
3. Design must focus on robustness against vandalism and rough use, including identification of low cost solutions for finishes and fitting & fixtures.
4. Integrate rain water harvesting/capture for flushing.

5. Separate provisions for ladies and gents should be planned. The complex should be children friendly

6. Demonstrate sense of security and safety for women and children and discourage anti social acts.

7. Disabled friendliness for users including expecting mothers, senior citizens, short term disabilities and for the users requiring assisted use.

8. Divyangjans friendly facilities should be extended to female and male sections separately.

9. Element of "low maintenance landscape" and treatment of immediate surrounds.

10. Provision for social message communication, including those for good hygiene.

The design adjudged first & second for permanent and semi-permanent/prefabricated separately shall be awarded **cash prize of Rs 50,000/- & Rs 25,000/- respectively**. The designs submitted by all participants shall be the property of DUSIB. The winners may be associated with DUSIB for six months on monthly remuneration of Rs 25000/- to assist in extending facilities in existing toilets and to design new toilet complexes.

The intended firm/individuals are requested to submit their proposals along with detailed architectural drawings including specifications & financial parameters, in DUSIB by **15.06.15 upto 3.00 PM** at the given address in hard copies and soft form. **Entries submitted after the due date & time shall not be considered for prize but shall be the property of DUSIB.**
