No. PS/MA/2015/D- 27

Dated : 25.06.2015

**CIRCULAR**

While reviewing the sealing operations of various properties of DUSIB, it has been observed that some such operations have been carried out, in the light of the Court Orders, but without obtaining necessary approval.

It is, therefore, impressed upon all concerned that no sealing/eviction/demolition programme should be carried out without obtaining prior approval of Chief Executive Officer.

It is further directed that all such cases where sealing/eviction/demolition orders have been issued in recent past, should be brought to the notice of Chief Executive Officer, before execution.

Above instructions should be strictly followed by all concerned.
