

**DELHI URBAN SHELTER IMPROVEMENT BOARD
GOVERNMENT OF NCT OF DELHI**

No:-BF/2404/2014-15/D-01

Dated:-31.07.2014

OFFICE ORDER

The Project Director (RAY) / Superintending Engineer-IV has prepared Software for monitoring capital works done by the divisions under various scheme of DUSIB. SE-IV has given a presentation of PMS (Project Monitoring System) on 25.07.2014 in conference room at Vikas Bhawan II, New Delhi to all the accounts functionaries of DUSIB. During the presentation / training, every step of said software and its functions were explained to all the accounts functionaries.

The data related to each project / work is required to be entered in the PMS and it is to be maintained up to date by the officers implementing the Work / Project.

Henceforth, after completing the process in file, payment of the works / project is to be released, by divisional accountants / ACA's, only after ascertaining that the data related to the concerned work / project made up to date in the PMS by the officers implementing the work/project.
