No. PS/CEO/DUSIB/2013/D- 215

Dated: 29 Nov., 2013

(A) Hon'ble High Court of Delhi in the case titled ' Court on its own Motion Vs Govt of NCT of Delhi & Ors ' in its hearing on 27.11.2013, has directed me to ensure that adequate and sufficient arrangements are made for the homeless in Delhi, and no casualty should take place due to cold in the coming winter. We will have to take all possible measures to mobilize the homeless people for using the Night Shelters and provide adequate facilities in the night shelters being run by DUSIB. If necessary, we should create more night shelters. The following actions need to be taken immediately:

- i) Instructions to NGOs managing the night shelters to ensure mobilization of homeless in the vicinity of the night shelters.
- ii) Instructions to **Homeless Resource Centres** running under the control of Mission Convergence to launch mobilization and rescue operations.
- iii) Instructions to SHOs and PCR Vans for mobilization of homeless.
- iv) Instructions to SDMs and other Revenue staff through Divisional Commissioner.
- v) IEC activities including appeal to public, religious institutions, publicity about night shelters in the area of concentration of homeless and general publicity about the availability of night shelters.
- vi) Calling of meeting of JAAC and emphasizing about proper management of the night shelters.

(B) We may have to increase our capacity of night shelters depending upon the need of the homeless. The exercise will have to be done to ensure that night shelters are accessible to the homeless. A list of 33 locations have been identified by IGSSS (copy enclosed). We need to do the survey of these locations with the help of HRCs and our staff to ensure that all these people have adequate access to the night shelters.

To review the course of action by DUSIB a meeting will held in the office of the undersigned on 30.11.2013 at 11.00 A.M. at Punervas Bhawan, I.P. Estate, New Delhi.
