Dated : 13-07-2022

Reg : **Up-dating of DUSIB Website.**

Today, I had a meeting as CVO at CVC in the presence of Chief Secretary. CVC has directed that we must up-date our Web-site. I had seen the Web-site, it is not up-to-date.

DUSIB Web-site must be completed and updated with all Circulars, O.M, Orders and Master Circulars etc. The latest existing guidelines must also be updated on the Web-site.

The installation of CCTVs in Vikas Kutter must be explored so that all points should be covered. The entire building and provision of back-up of the CCTV must be informed. Further there should be suo moto disclosure of all the information on our Web-site.
