It is being informed that "Standing Technical Sub-committee (STSC) of National Technical Advisory on Immunization" NTAGI has recommended the duration between second dose and precaution dose from existing 9 months or 39 weeks to 6 months or 26 weeks.

Precaution dose would be administered after completion of 6 months or 26 weeks from the date of administration of second dose, free of charge to all citizens above 18+ age group, at all government CVCs as part of Azadi ka Amrit Mahotsav Celebration.

As you are aware that Covid-19 Pandemic is still not over and Covid-19 Cases are still getting reported and we are at risk of getting the infection. Precaution dose vaccination will boost up the immune response and helps in protection against the diseases and related morbidity and mortality.

You are requested to kindly ensure that all staff of your department are vaccinated with second dose and precaution dose and come with the details on the under mentioned format on 23.07.2022 in Jan Sunwai :-

Sr. No.	Name of the Department with address	Contact No. , E-mail address,	Total No. of employees including contractual	No. of employees fully vaccinated		No. of employees yet to be vaccinated	
				1 st Dose	2 nd Dose	1 st Dose	2 nd Dose
