Description of Preventive Vigilance activities to be undertaken during campaign period (16<sup>th</sup> August 2023 – 15<sup>th</sup> November 2023) as a precursor to Vigilance Awareness Week 2023

### 1. AWARENESS BUILDING ON PIDPI RESOLUTION

As per policy of Government of India, no action is to be taken on anonymous / pseudonymous complaints. However, if a complainant wishes to keep his identity confidential, there is a provision of filing complaints under Public Interest Disclosure and Protection of Informers (PIDPI) Resolution.

With a view to popularize PIDPI Resolution, the following activities may be undertaken:

- a. All Ministries / Departments / Organizations may undertake awareness campaigns on PIDPI resolution;
- b. A poster on the provisions of PIDPI has been prepared and is attached at Annexure B. This may be displayed at all offices and translated into local languages, wherever deemed necessary;
- c. Organizations may consider preparing jingles / videos to convey information regarding PIDPI resolution in an attractive, and easy to understand manner;
- d. Talks / seminars / public interactions / gram sabhas may be conducted clearly explaining the provisions of PIDPI resolution, the correct procedure of filing a PIDPI complaint and the common pitfalls / mistakes made while filing PIDPI complaints.

### 2. CAPACITY BUILDING

Training of officials to impart necessary competency and skill is necessary in order to ensure smooth and effective functioning. All Ministries / Departments may ensure that extensive training is given to the officials in the following five thematic areas :

- a. Role of IO/PO in conducting inquiries,
- b. Public procurement,
- c. Ethics and governance,
- d. Systems and Procedures of the organization, and
- e. Cyber hygiene and security.

15

25/c

During the 3-month campaign period, select officials (master trainers) may be trained extensively by experts in the field, and these officials may subsequently be utilized as resource persons for imparting in-house training.

### 3. IDENTIFICATION AND IMPLEMENTATION OF SYSTEMIC IMPROVEMENTS

Preventive Vigilance initiatives are key in taking a proactive approach against the menace of corruption. Towards this goal, the following action plan may be taken up:

- a. All Ministries / Departments may analyze the cases of the last 05 years to identify the common areas where corruption occurs and initiate / implement systemic improvements to tackle the same.
- b. The Commission has already advised systemic improvement measures in various cases. The organizations may make a special drive to implement these measures.

### 4. LEVERAGING OF IT FOR COMPLAINT DISPOSAL

Timely disposal and monitoring of complaints is essential to ensure that illegal acts are identified and stopped at the right time. It also brings about a sense of trust in the complainant. To achieve this, web portals, apps and other IT initiatives can be utilized.

All Ministries / Departments / Organizations should develop and implement online portals for receipt and tracking of complaints received by the CVOs (time frame for development of such portals to be indicated by them).

### 5. UPDATION OF CIRCULARS / GUIDELINES / MANUALS:

In continuation of earlier instructions, all organizations should work towards identifying circulars / guidelines / manuals which are required to be updated and take necessary steps to ensure updation of the same.

### 6. DISPOSAL OF COMPLAINTS

It is necessary to ensure that complaints are not kept pending and that they reach the logical conclusion within the prescribed time period. All organizations may ensure that all complaints received on or before 30.06.23 may be disposed of.
