Subject: Regarding in-anticipation approval for the Acceptance of the Rates and accord of permission to award the work of repairing of 2416 EWS houses of 3560 EWS houses at Savda Ghewra Ph.-III (Gr.-II) for make these EWS houses habitable for slum dwellers.

1. The instant case is regarding the e-tender invited by Civil Division/C-2 with tender ID No. 2025_DUSIB_268510_1 and NIT No. 118/EE/C-2/DUSIB/2024-25; dated: 15.02.2025.
2. JNNURM, launched in 2005 by the Government of India, aimed at Urban renewal with a focus on providing affordable housing to the economically weaker sections (EWS) and relocating slum dwellers (JJ dwellers) into newly constructed flats. The scheme formally commenced in 2009-10, with financial assistance from both the Central (CSS) and State (SSS) governments. Between 2008 and 2016, under this initiative, DUSIB constructed 18,084 EWS flats across various locations, including Dwarka, Sultanpuri, Savda Ghewra, and Bhalswa Jahangirpur.
3. Despite significant efforts, only 2,122 units have been allotted to JJ dwellers, leaving 15,902 flats vacant and vulnerable to deterioration due to delayed allotment and inadequate maintenance. The risk of unauthorized occupation has further compounded the issue, underscoring the urgency of effective intervention to ensure the intended beneficiaries receive housing.
4. To address these challenges, on 18.09.2023, the Hon'ble High Court (WP(C) 9470/2022) constituted a High-Powered Committee to expedite the allotment of 9,104 constructed flats. The Committee, chaired by the Secretary of the Ministry of Housing and Urban Affairs (MoHUA), includes representatives from DDA, DUSIB, GNCTD, DJB, and DSIIDC. In line with the Committee's directives, immediate tenders were deemed necessary for repairing 2,500 JnNURM houses at Savda Ghewra. The repair process was estimated to require six months-three months for tendering and formalities, and another three months for execution by the assigned agency/contractor.
5. In order to facilitate these repairs, the Engineering Division of DUSIB framed a preliminary estimate, processed under File No: WF/4701/43/AE-I/EEC-2/24. The competent authority i.e. Hon'ble Chairman of DUSIB/ Chief Minister of Delhi vide dated: 03.02.2025, accorded the approval to the following:
 - a. Accord of in-principle Administrative Approval & Expenditure Sanction (A/A&E/S) to the tune of Rs. 27.49 crores for the work of "One Time Repairs to Houses" for these 2500 houses at Savda Ghewra.
 - b. In-anticipation permission for calling of tender for the provision of "One Time Repairs to Houses" of these JnNURM houses at Savda Ghewra.
 - c. Accord of 06 months' time period for the smooth transition of carrying out One Time Repair by DUSIB and handing over to the eligible beneficiaries.
6. The Hon'ble High Court, through its orders dated 22.11.2024 and 08.01.2025, directed GNCTD, DJB, DUSIB, and other agencies to immediately operationalize essential services, including sewerage,

Additionally, DJB and GNCTD were instructed to conduct site inspections and submit estimated costs for additional civil amenities, with funding to be sourced from AMRUT or state resources. The objective was to ensure that 1,000 houses become habitable within three months and the remaining 1,500 within the next three months.

7. Subsequently, the tender was invited after completion of all codal formalities and approval of Technical Sanction and Draft NIT from the competent authority vide tender ID No. 2025 DUSIB 268510 1 and NIT No. 118/EE/C-2/DUSIB/2024-25: dated: 15.02.2025, by Civil Division, C-2, with the opening date: 04.03.2025. Moreover, a technical committee was constituted for the evaluation of Tender documents in respect of the said tender case.
8. Consequent to the opening of the technical bid, it was found that 02 nos. bids participated in the said tender. Further, after the recommendation of the Technical Evaluation Committee (TEC), the permission to open the financial bid was accorded by Chief Engineer, DUSIB on dated: 13.03.2025 [Refer page- 9/N]. Subsequently, the financial bids of the eligible agencies have been opened on dated: 15.03.2024. Accordingly, it was found that the agencies have quoted the rates and the comparative statement is attached at page. [Refer Page-104/C]

The rates quoted by the agencies are as follows:

89/c

S.No	Name of Agency (s)	Estimated Cost	Quoted Amount	Bid Rank
1.	M/s Sushil Buildwell Private Limited (New name- M/s T.G. Promoters Pvt. Ltd.)	Rs. 14,74,99,197/-	Rs. 18,55,39,239.91	L-1
2.	M/s PK Gupta and Co.	Rs. 14,74,99,197/-	Rs. 19,35,92,696.06	L-2

- 90/c 9. Moreover, the Justification of Rates (JOR) was framed and the same has been examined by Planning Section of DUSIB on dated: 01.04.2025 [Refer page- 19/N]. In 73 the JOR, it has been mentioned that the rates quoted by the agency M/s Sushil Buildwell Private Limited (New name- M/s T.G. Promoters Pvt. Ltd.) is reasonable & justified and was accordingly, recommended for acceptance from the competent authority.
10. It is pertinent to mention that as the matter is being monitored by Hon'ble high Court of Delhi and the next Board Meeting date has not been finalized, the case may please be placed before Hon'ble Chairman of DUSIB regarding in-anticipation approval for the Acceptance of the Rates and accord of permission to award the said work to the agency, so that the repairing the work of repairing of 2416 EWS houses of 3560 EWS houses at Savda Ghewra Ph.-III (Gr.-II) for make these EWS houses habitable for slum dwellers. The said proposal would be placed before the next DUSIB Board meeting for its ratification

Note # 1

Note: Previous Noting Sheets having **Para-1 to 12**, of the file, is enclosed at attachment.

Subject:- Accord of Administrative Approval & Expenditure Sanction (A/A&E/S) of amounting to Rs. 4,74,75,300.00 and in-anticipation permission to call of tender for the work of providing Pagoda tents to be used as temporary Shelter Homes during forthcoming winter season 2025-26.

13. There are about 197 Shelter Homes which are being run by DUSIB, Govt. of NCT of Delhi through SMAs for providing Shelter facilities and other basic amenities to the homeless people in Delhi under the Plan Scheme of Delhi Govt. The Shelter Homes are being run on regular basis throughout the year and round the clock. Moreover, during the winter season, the quantity of the Shelter Homes has to be increased additionally by around 250 nos. temporary Shelter Homes, erected in the form of Pagoda tents at designated places after the commencement of the Winter Action Plan, 2025-26.

14. As per the previous practice the Winter Action Plan for the year 2025-26 shall be operative from the fortnight of November, 2025 to fortnight of March, 2025. Considering the Winter Season and in order to safeguard the lives of homeless from extreme cold, it is desired that Pagoda Tents be installed at designated places for homeless people during Winter Season. It is pertinent to mention that as per DUSIB occupancy records there are approximately 7,000 homeless people in Delhi and which generally increases considerably during the winter season at odd places.

15. Further, a preliminary estimate amounting to **Rs. 4,74,75,300.00** has been prepared and got duly examined from the Planning Section of DUSIB on dated: 26.07.2024, which was submitted to the Competent Authority for accord of Administrative Approval and Expenditure Sanction (A/A&E/S) [**Refer-A**] Moreover, the financial concurrence of the said work has already been accorded by the competent authority vide dated: 17.09.2025 at page- 5 of the Noting attached.

16. It is pertinent to mention that being the said estimate is for amounting to Rs. 4,74,75,300.00 i.e. more than Rs. 03.00 crores and as per the delegations of power, the competency to accord the Administrative Approval and Expenditure sanction (A/A&E/S) vests with DUSIB Board. However, the accord of permission for the DUSIB Board will take considerable time.

17. Contemplating the above cited facts and circumstances, it is to inform that as the date of next Board Meeting has not been finalized and

to prevent the delay in publishing the tender and keeping in view the inevitable nature of work, the case may please be placed before the competent authority for the accord of Administrative Approval and Expenditure Sanction (A/A&E/S) and permission to call of tender for the work of providing Pagoda Tents to be used as temporary shelter homes during forthcoming Winter Season of 2025-26. A draft agenda has also been enclosed as 'Agenda', for kind approval of the competent authority, so that the same could be placed in next DUSIB Board meeting for ratification.

PROPOSAL: -

18. In view of the foregoing paragraphs, the matter may please be placed before the Hon'ble Chief Minister of Delhi/ Chairman of DUSIB for the accord of approval to the following: -

- a. Accord of in-principle Administrative Approval & Expenditure Sanction (A/A&E/S) to the tune of Rs. 4,74,75,300.00 for the work of providing Water Proof & Fire Retardant European/German Style Pagoda Tents as Temporary Shelter Homes on hiring basis at various locations in NCT of Delhi for the year 2025-26.
- b. In-anticipation permission for calling of tender for the provision of providing Pagoda Tents during forthcoming Winter Season of 2025-26.
- c. Approval of the draft Agenda, to be placed in the next DUSIB Board meeting for its ratification.

Submitted for kind consideration and approval please.

Subject: Submission regarding the suggestion for utilization of Porta Cabins (earlier used for Mohalla Clinics) as Night Shelters.

1 . The instant case pertains to the kind suggestion of the Hon'ble Chief Minister of Delhi/Chairman DUSIB, conveyed vide Note # 7 above, wherein it has been directed that:

...“Porta cabins earlier for Mohalla Clinic can also be used for Night Shelters.”

2. In this regard, it is to inform that in order to assess the present condition of these Mohalla Clinics and to determine their suitability for use as shelters, DUSIB had requested the Health & Family Welfare Department for a joint inspection, vide letter bearing No:D-87/Dir(NS)/DUSIB/25; dated: 14.05.2025. However, no response has been received so far.

3. It is pertinent to mention that under the Winter Action Plan (15th November to 15th March), Pagoda tents are generally erected in highly concentrated areas, which experience the maximum occupancy of homeless persons. These tents are dismantled after the winter season. By contrast, Mohalla Clinics are permanent structures that would need to be maintained throughout the year. Ensuring their upkeep, security, and preservation even during non-winter months would entail significant additional financial implications for DUSIB.

4. Moreover, it is important to note that the Hon'ble Supreme Court of India in Writ Petition (Civil) No. 55/2003, dated 28.03.2023 has passed an order, which is reproduced as below:

...“ The DUSIB, the Delhi Police, Delhi Development Authority (DDA) and all other authorities in the State of NCT of Delhi are hereby directed not to demolish the three shelter, operating presently at Geeta Ghat and any other temporary shelter, without approaching this Court. ”

5. Therefore, the conversion of Mohalla Clinics into Night Shelters would fall under the category of additional temporary shelters and in case of closing/ removal of any, could lead to legal complications in future.

6. Moreover, the estimated recurring expenditure to operate and manage a single Mohalla Clinic as a shelter home is about ₹1.00 lakh per month. This includes costs related to daily operations, manpower, and basic management services. Further, an estimated one-time expenditure of around ₹10.00 lakh per clinic would be required for necessary repair, renovation, and procurement of essential items (beds, mattresses, blankets, etc.) to make them fully functional as Shelter Homes.

7. In view of the foregoing, and keeping in mind that the Winter Action Plan is scheduled to commence from 15th November 2025, DUSIB would face considerable challenges in utilizing the Mohalla Clinics as Night Shelters within such a short timeframe. Therefore, it is most respectfully submitted that the matter may kindly be placed before the competent authority i.e. Hon'ble Chief Minister of Delhi/Chairman DUSIB, for the accord of approval to the following:

(a) Accord of in-principle Administrative Approval & Expenditure Sanction (A/A&E/S) to the tune of Rs. 4,74,75,300.00 for the work of providing Water Proof & Fire Retardant European/German Style Pagoda Tents as Temporary Shelter Homes on hiring basis at various locations in NCT of Delhi for the year 2025-26.

(b) In-anticipation permission for calling of tender for the provision of providing Pagoda Tents during forthcoming Winter Season of 2025-26.

(c) Approval of the draft Agenda, to be placed in the next DUSIB Board meeting for its ratification."

Submitted for kins consideration and approval please.

May please see the above notes. The Hon'ble CM/Chairperson DUSIB has mentioned that "Porta Cabin earlier used for Mohalla Clinic can also be used for Night Shelters". It is presumed that the proposal submitted by DUSIB for the Winter Action Plan at note 1 is approved by the Honble Chairperson and the above remarks are in addition to the proposal .The Health Department has not handed over any Mohalla Clinics to DUSIB so far.In view of the above, we may proceed with the tender process so that the preparation is not delayed and then place before Honble CM/ Chairperson again with the tendered rates and details pl.

Sir

The ABVIMS and Dr RML Hospital has requested the DUSIB several times since 2017 for the relocation of Jhuggi Basti at NDMC Water supply 5855 Kalibari Marg. In spite of payment of relocation charges, No action has been taken by the DUSIB towards relocation of Jhuggi. This is causing delay in the the execution of an important project of Public Health importance.

Further in case of any legal implications and court cases Dr. R.M.L. hospital will fight on the basis of available record. In the interest of public, the work of relocation of the clusters, Dr. R.M.L. Hospital will decide the further course of action in consultation with MOHUA & MOH & FW.

I. therefore request you to please hand over the survey report, EDC and other relevant papers related to the above mentioned plot for the eligible beneficiary.

Sub:- Relocation of JJ Basti, N.D.M.C. Water Supply 5855, Kali Bari Marg.

Sir,

This is with reference to your letter No. 12-04/2023/RMLH(MS)/79 dated 01.05.2023 and letter No. 12-04/2023/RMLH(MS)/ dated 02.05.2023 on the above cited subject.

In this regard, I am directed to inform that there are 122 surveyed units in the JJ Basti, 5855 N.D.M.C. Water Supply Control Room, Kali Bari Marg. Out of 122 surveyed units, 95 JJ dwellers declared eligible by the Eligibility Determination Committee held w.e.f. 19.09.2019 to 30.09.2019 and on 04.01.2021. Further course of procedural formalities for rehabilitation was under process. But in the meantime, the Under Secretary to Govt. of India, Ministry of Housing and Urban Affairs, (HFA-V Division) issued a circular vide No. N-11022/51/2020-HFA-V-UD/FTS-9088338 dated 31.12.2020 titled as conversion of completed/incomplete houses under erstwhile schemes of BSUP and IHSDP of JnNURM and RAY into ARHCs and are to be utilized as Affordable Rental Housing Complexes (ARHCs) for urban migrants/poor only and for no other purpose. Hence further course of rehabilitation in the matter could not be processed due to ARHCs.

It is pertinent to mention that the Hon'ble High court, Delhi vide orders dated 02.03.2023 in C.C.(P) 864/2017, 515/2019 and 936/2021 directed that:

Since this Court has clarified that letters issued by UOI dated 31.05.2021 and 9.09.2021 cannot pertain to and have no bearing on the provisional eligibility letters for allotment, which already stand issued prior to the said dates, Respondent, DUSIB, is directed to take immediate steps for complying with the orders of this Court. In case of any further delay, it will be construed that the disobedience by DUSIB is wilful. The said two (2) letters which were relied upon by DUSIB for not complying with the orders of the Court

14/ ✓ 4501c

It is also added that Under Secretary to GoI, MoHUA vide letter dated 21.04.2023 informed that MoHUA was not made party in the WPC 3430/2017(in the matter of Mathura Prasad & ors) and thereafter, in the review petition 81/2022, MoHUA has been impleaded as a party and filed its affidavit in said writ petition. The appeal has already been filed by it on 15.04.2023 against the orders dated 02.03.2023 before the Double Bench of Hon'ble High Court of Delhi.

As requested by Director & Medical Superintendent, ABVIMS & Dr. RML Hospital vide above referred letter dated 02.05.2023, the joint survey report and the details of eligible beneficiaries along with the individual files of the JJ dwellers of JJ basti NDMC water supply 5855 are enclosed herewith.

Yours faithfully,

Encl: As above

विषय - भुगतान राशि को वापस पाने के लिए,

प्रहोयय,

श्री/श्री सावित्र्य निवेदन है कि, मैं आप w/o Late Lalit Kumar निवासी T-HW8 Durga Mandir, Karol Bagh की निवासी हूँ, एमने दिल्ली सरकार की पुनर्वास नीति 2013 के अंतर्गत प्रार्थनापत्र एवं दस्तावेज जमा किए थे जिसमें एमने भुगतान के पथले वैकल्पिक आवास (लैट) मिल सकें उसके लिए एमने अंतरिमालीन पात्रता पत्र में दक्षिण में राशि 68000/- रुपये जमा किए थे,

अभी तक एमने पैसे प्राप्त नहीं हुआ। मैंने और भी पैसे पाते ही इस दुनिया छोड़ी है उनका संतु 16/10/2023 को हुई थी उनके जाने के बाद मैंने अपनी आर्थिक स्थिति खराब ही गई जिस कारण अब मैं अपने पच्चों के साथ गाँव में रहूँगी।

मैंने आपसे चीकती हूँ कि जो राशि मैंने जमा की थी वह मुझे वापस दे दिया जाए।

आवश्यक दस्तावेज मैंने इस आवेदन पत्र के साथ जोड़े दिए हैं, जैसे- अंतरिमालीन पात्रता पत्र, भुगतान राशि, आधार कार्ड, वैज्यापत्रिका और संतु प्रमाण पत्र।

अतः आपसे निवेदन है कि आपसे इस आवेदन पर ध्यान दे

Reference page 1/N onwards. It is submitted that:

1. The Department of Urban Development, Govt. of NCT of Delhi, vide its order No. F.No.730(7)/UD/BSUP/2016/CDNo.021366111/3041-22 Dated: 11/12/2017 issued the Delhi Slum and Jhuggi Jhopri Rehabilitation and Relocation Policy, 2015.
2. In terms of the Delhi Slum and JJ Rehabilitation and Relocation Policy, 2015 (renamed as Mukhya Mantri Awas Yojna), the DUSIB has been nominated as Nodal Agency for the implementation of Policy for relocation / rehabilitation of JJ basti upon the land belonging to MCD and Delhi Government and its Department/Agencies. It relocates the JJ basti on the request of Land Owning Agency after receipt of relocation charges in advance as per provisions of Rehabilitation Policy, 2015.
3. In case of Jhuggi Jhopri colonies existing in lands belonging to Central Government/Agencies like Railways, Delhi Development Authority, Land & Development Office, Delhi Cantonment Board, New Delhi Municipal Council, etc. the respective agency may either carry out the relocation/rehabilitation themselves as per the policy of the Delhi Government or may entrust the job to the DUSIB.
4. There is nothing mentioned in the Delhi Slum & JJ Rehabilitation & Relocation Policy, 2015 (renamed as Mukhya Mantri Awas Yojna) in respect of refund of relocation charges/beneficiaries share money in the situation where the Land Owning Agency not willing/interested for rehabilitation from DUSIB for whatever the reason may be.
5. As per clause '6' of Part-B of the Delhi Slum & JJ Rehabilitation & Relocation Policy, 2015 Chief Executive Officer, Delhi Urban Shelter Improvement Board is authorized to approve for operational guidelines keeping in view the overall spirit of the policy.
5. Earlier, in some cases where relocation charges and beneficiaries share money was received in DUSIB but later, the concerned Land Owning Agency not willing/ interested for rehabilitation from DUSIB or not deposited full relocation charges as per prevailing Policy dated 11.12.2017 or the rehabilitation/relocation could not materialized due to administrative reason or any unforeseen, the CEO, DUSIB had approved for refund of the relocation charges and beneficiary share money. Accordingly, the relocation charges deposited by the Land Owning Agency has been refunded to the concerned Land Owning Agency. Accordingly, the beneficiaries share money deposited by the JJ dwellers in DUSIB for such JJ bastis are also being refunded to the beneficiary JJ dweller on written receipt of request alongwith bank details, copy of bank challan by which beneficiary share money was deposited, eligibility letter, address proof and other requisite documents if any.
6. DUSIB in its 16th Board meeting held on 11.04.2016, has accorded the approval for relocation of JJ Basti 5855, Near NDMC Water Supply Control Room, Kali Bari Marg, New Delhi (Cluster Code-490 in the list of 675 identified JJ Bastis), vide Agenda Item No.16/7. Accordingly, Joint Survey of the JJ Basti had been carried out along with the representative of Land Owning Agency i.e. RML Hospital, on 9th and 10th August, 2016. There were total 122 surveyed units in this JJ Basti. The Eligibility Determination Committees (EDCs) had decided the eligibility of JJ dwellers. EDC declared 95 JJ dwellers provisionally eligible and issued provisional eligibility letters to them.
7. An amount of total Rs. 1,65,00,000/- was deposited by the Land Owning Agency (Dr. RML Hospital) as relocation charges for rehabilitation of JJ Basti

8/10

5855, Near NDMC Water Supply Control Room. However, the allotments of alternate dwelling units could not be made to such provisionally eligible JJ dwellers due to administrative reasons and Circular/directions on ARHC's by MOHUA, Govt. of India.

8. The Director & Medical Superintendent, ABVIMS & Dr. Ram Manohar Lohia Hospital, New Delhi vide his letter dated 02.05.2023 informed that in the interest of public, the work of relocation of the cluster, Dr. RML Hospital will decide the further course of action in consultation with MOHUA & MOH & FW. It is requested to hand over the survey report, EDC and other relevant papers related to the above mentioned plot for the eligible beneficiary. Accordingly, all the records i.e. the photocopy of the joint survey report and all the details/records of eligible beneficiaries including original Bank Challans of beneficiary share money along with the individual files of the JJ dwellers of JJ Basti 5855, Near NDMC Water Supply Control Room, Kalibari Marg, have been sent to Director & Medical Superintendent, ABVIMS & Dr. Ram Manohar Lohia Hospital, New Delhi on 16.05.2023.
9. Atal Bihari Vajpayee Institute of Medical Sciences, Dr. Ram Manohar Lohia Hospital, New Delhi vide letters dated 07.03.2024, 11.07.2024, 30.08.2024 and 18.10.2024 has requested for refund of the relocation charges amounting to Rs. 1,65,00,000/- deposited in DUSIB by them for rehabilitation of JJ Basti 5855, Near NDMC Water Supply Control Room, Kalibari Marg and beneficiaries share money deposited by the eligible JJ dwellers of said JJ basti with interest accrued.
10. In view of above, the following proposal is placed before the Board for consideration for refund of relocation charges and beneficiaries share money to the Land Owning Agency/JJ dwellers:

- i. Where relocation charges and beneficiaries share money received in DUSIB but later on, the concerned Land Owning Agency is not willing/ not cooperating for rehabilitation of JJ basti/Jhuggis from DUSIB despite several request letters, the amount of relocation charges received may be refunded with the approval of CEO, DUSIB.  - (v) DUSIB letter no. F-14(170)/NOC/NCRTC/204631247/IAL/DUSIB/D654 dated 14/11/2022.
 - (vi) NCRTC Letter No. NCRTC/DM/Ring Road/General/22-23/131-B/1553 dated 15/06/2023

Please refer to your office letter mentioned at ref. (ii), vide which permanent allotment of land measuring 297 sqm. was done by DUSIB to NCRTC on "as is where is" basis for road connectivity of stabling yard at Jangpura from Ring Road at Nehru Nagar. NCRTC deposited the requisite land charges and advance rent vide letter at ref. (iii).

During execution planning, it was observed that some shops/structures of Apna Bazar at Nehru Nagar are coming in the shadow area of elevated road. A joint inspection of these shops/structures was conducted by NCRTC Officials with shop owners on 25/05/2023 and a joint inventory of shop/stall no., size and present ownership has been prepared. These 17 shops/structures are required to be resettled by NCRTC to ensure safety of inhabitants during construction period. During discussion with the affected shopkeepers, it was suggested by them that they may be relocated on the vacant land belonging to DUSIB at the location opposite to residential block no. 3 in Nehru Nagar, which is near their affected shops.

Accordingly, NCRTC request DUSIB to permit NCRTC for relocation of shops/structures on adjoining DUSIB land.

It may kindly be appreciated that the relocation of shops/structures is related to timely commissioning of Delhi-Meerut RRTS corridor, which is of national importance and the shifting of these structures on priority will be of immense help to achieve the target date of completion of the project. The shifting of shops/structures etc. falling in shadow area of elevated Road shall be got done by their occupants facilitated by NCRTC. NCRTC shall bear entire cost of construction & relocation of shops/structures.

It is requested to kindly accord permission to NCRTC for resettlement of shops/structures falling in the shadow area of elevated road to DUSIB land opposite residential block no. 3 in Nehru Nagar, as shown in the enclosed site plan.

Thanking You,

DA: As above (Two)

Sub:- Implementation of Delhi Ghaziabad Meerut Regional Rapid Transit System (RRTS) Corridor- Regarding request for permanent relocation of shops/structures falling in shadow area of elevated road connecting Ring Road to NCRTC Complex at Jangpura, Delhi on the adjoining DUSIB Land.

Ref: NCRTC/DM/Ring Road/General/22-23/131-B/1525 dated 01.06.2023 and further letters dated 15.06.2023, 07.07.2023 and 31.07.2023.

Sir,

This has reference to your aforesaid letter, on the captioned subject. In this regard, I am directed to convey the approval of Hon'ble LG, Delhi for issuance of No Objection Certificate for transfer of vacant land measuring 235m² situated at Residential Block No. 3, Nehru Nagar, New Delhi on permanent basis for construction of 17 shops for relocation of shopkeepers of Apna Bazar, which comes under the shadow area of elevated road connecting Ring Road at Jangpura for Delhi-Ghaziabad-Meerut RRTS corridor subject to acceptance by Audit in due course and on the following terms and conditions:

1. The terms and conditions of alternative allotment shall remain same as those were at the time of original allotment made by erstwhile Slum & JJ Wing of DDA (now DUSIB) in favour of original allottees.
2. The details of allottees viz-a-viz name of original allottees, area of shop/stall underneath are annexed herewith. The alternative shops should be of the same area and no additional area/land may be allotted.
3. The unauthorised purchasers shall be governed by the terms and conditions of allotment as agreed by the original allottees at the time of allotment.
4. NCRTC shall ensure that no unauthorised construction/encroachment may take place on the allotted / vacant land and in case of such event, action for removal of the same shall be taken by NCRTC.
5. A copy of terms and conditions of allotment / auction are enclosed herewith.

- xix) No changes/alterations/additions shall be made without prior approval of the D.D.A. (Slum Wing). Shutters shall not be permitted to be shifted from their present place in any circumstances.

V. COST AND TRANSFER DUTIES:

The cost and expenses of preparation, stamping and registering lease deed and its copies and all other incidental expenses will be paid by the intending purchaser. The intending purchaser will also pay the duty of transfer of immovable property levied by the Municipal Corporation of Delhi or any other duty or charges that may be levied by another authority.

I accept the above terms and conditions.

ITEM NO. 50/2021

Item No. /2021 F. No.1(114)17/L.D/Coord.

Subject: Review of Policy for Fixation of Reserve Price in respect of Built-up Shops/Units

1. Background:

1. The Built-up Shops/units in Convenient Shopping Centres, Local Shopping Centres and Community/District Centres of DDA are disposed of by two modes :

- (i) through auction (e-auction) to general public;
- (ii) through draw of lots to the reserved category persons;
- (iii) under certain schemes.

2. Existing Formula for Costing of Built-up shops

The reserve price for built up shops/units is fixed as per the policy approved vide Authority Resolution No.53/2017(Annexure -1). Attention is invited to *Para 8 (C)* thereof, which lays down the following parameters (A) to (C) for fixing reserve price of DDA's Built-up properties/shops. As per the existing policy the reserve price has the following cost components:

- (i) Cost of Land component which comprises of plinth area of the shop + proportionate common area + mezzanine floor + Verandah Balcony area/courtyard wherever exists. Total area so derived is then multiplied by corresponding Circle Rate of the category of the locality in which the Built-up property/shop is located and a Multiplying factor of 2 (two) is applied to reflect for commercial nature of property. (It is assumed that Commercial Complexes were built on 100 FAR, and therefore Plot area : Gross constructed area ratio is 1:1).

The Multiplying Factor of 2 is taken while computing the land cost of Commercial shops as per the policy for calculating cost of commercial plots.

- (ii) Cost of construction of shop: Rate of construction as notified on 22.09.2014 by the Govt. Of NCT of Delhi or the actual cost of construction incurred by DDA with escalation of 10% p.a. towards cost of money whichever is higher as mentioned above in 1(a).

3. Costing Formula as per GNCTD Notification dated 22.9.2014

- (i) Minimum Unit rate for Land Component and Multiplying Factor :

II. REASONS FOR REVIEW OF THE EXISTING RESERVE PRICE FIXATION POLICY FOR BUILT-UP SHOPS/UNITS

Despite repeated attempts till recently, DDA has not been able to dispose of Built-up shop/units at the reserve price so fixed as per the approved policy. Inventory details in this regard available in Annexure - 2 show that only 7 shops could be disposed of during the last 5 phases of auction during the period 2019-2021.

III. PROBLEM ANALYSIS

1. After extensive deliberations by officers of I.D. Finance, Engineering and Building Departments on all aspects including present price fixation policy, age of construction and current market dynamics and demand of Built-up commercial spaces, the following multiple reasons have been identified for alarmingly low disposal of built-up shops/units:

2. As on date, DDA has unsold inventory of about 677 built-up units. Approximately 90% of these units are the unsold units from various schemes/auction/ draw of lots and were constructed 20-30 years ago. These structures are timeworn. Contrarily, the cost of construction is enhanced every year by 10% with respect to the year of construction while fixing the reserve price as per the existing policy whereas generally structures are depreciated as they age.

3. Market dynamics have changed post amendments in the FAR policy. The new policy allows the builders to keep the areas like corridors, common areas including the area of staircase and common toilets, mezzanine floor, etc. free from FAR while in the case of DDA built up shops, the same are accounted for in pricing which makes the existing pricing formula leading to higher pricing which in turn makes the unsold inventory of shops less lucrative comparatively. DDA is constrained to include the mezzanine, common area etc. in the total FAR as the DDA complexes are already Built-up structures under the previous FAR policy and DDA cannot now re-build/add structures to utilize the additional FAR made available as per the new policy on the existing complexes and hence the land/ allowed FAR /construction cost has to be realized as already assigned in the complex.

4. Further, introduction of the scheme of mixed-use streets/ commercial streets in residential areas has also resulted in considerable fall in the demand of DDA Built-up Shops which have seemingly lesser competitive edge over the mixed land-use properties located on notified streets.

IV. RECOMMENDATIONS:

1. Based on the extensive deliberations with the Engineering, Land Disposal and Finance and Building Departments on the issue of non-disposal of built-up shops /units and the solutions explored, it is felt imperative to rationalize the Reserve Price Fixation of Built up shops/properties to clear out/reduce the unsold inventory and thus, the following suggestions are made to rationalize the cost.
 - (i) The multiplying factor of 2 (Two) for commercial properties/Built-up shops will continue as per the existing policy. However as a special measure in view of the solution proposed above, it is proposed to dispose of the unsold inventory as on date, by reduction in

207/c
158/c

presently applied multiplying factor from 2 to 1.50 for the cost computed towards the Land component of the Built-up properties/shops i.e on the total plinth area, to make DDA shops market competitive and attractive.

- (ii) Further, the present formula of charging actual cost of construction incurred by DDA with escalation of 10% per annum is not justified on two counts -
- (a) on one hand depreciation of built-up properties with each passing year is not accounted for and
- (b) On the other hand cost is escalated by 10% per annum which makes the cost higher every passing year though the structures keep aging and actually are depreciating in terms of value.

Further, as shown in table 3C above, the multiplying factor to account for age of construction is 1 from the year 2000 onwards does not give the realistic price of the shops. To resolve this anomaly, it would be fair to fix a standard rate Per Sq. Mtr. of plinth area for Built-up Shops based on current construction cost and allowing depreciation @ 1.25% per annum by straight line method for total number of years of age of construction to the maximum limit of depreciation capped 25% ;

- (iii) In the absence of actual current (year of auction/disposal) cost of construction of built-up shops at Convenient Shopping Centres/Local Shopping Centres/Community Centres/District Centres, it would be appropriate and realistic to opt for the per square meter plinth area rate (as notified by Finance Wing, DDA every financial year) of cost of construction as that of comparable structures of EWS Flats. In case the notified plinth area rate of the current financial year is not available, the rate of previous financial year can be taken for the purpose of fixation of reserved price.

2. Accordingly, a comparative of Reserve Price is worked out as per the above suggestions/recommendations vis-a-vis that as per the existing costing formula for the year 2021-22 is shown in the illustration/statement of few shops and attached as Annexure - 3 which shows reduction in the Reserve Price of Built-up shops (with multiplication factor of 1.5) in the range of 30 to 55% to that of the costing of shops done on the basis of existing application of multiplication of factor 02 and the construction cost computational method for 13 shops put in the last E- auction (11th Phase).

Further, it is also proposed that in case the unsold inventory of shops does not attract buyers in the next auction program, despite the proposed reduction of multiplication factor of 1.5 for the land component, DDA may further review the Reserve price of the unsold inventory.

V. Financial Implications:

There will be 30% to 55% reduction in the Reserve Price of Built-up shops as shown in the statement attached as Annexure 3.

However, the resultant reduction in the Reserve Price from that of the existing formula is only intended to make the unsold inventory of Built-up shops / properties of DDA attractive and to solicit the interest of the potential buyers. The Reserve Price is only for fixing the minimum

203/1c
198/c

price the actual bid will be dictated by the market conditions and desirability of DDA's Built-up shops disposed of through competitive way of E-auction.
The Finance Department has vetted/agreed to the proposal.

VI. Proposal:

1. The amendments recommended above in regard to price fixation in respect of old inventory of built-up shops (put to auction earlier) however will remain within four corners of the Policy approved by the Authority vide Resolution No. 2017 and accordingly the Reserve Price costing of Built-up Shops/Units disposed of on freehold basis is proposed to include the following components:

(i) Cost of Land component comprising of plinth area of the shop + proportionate common area + mezzanine floor + Veranda + Balcony area/courtyard etc. wherever exists and Total area so derived shall be multiplied by corresponding Circle Rate of the category of the locality in which the built-up shop/ built-up property are located. Insofar as the stock of unsold shops is concerned, considering the market situation we may keep the multiplying factor of 1.50. In the case of new shops, being offered first time in auction, multiplication factor will be kept same as that of the commercial plots i.e 2 instead of 1.50.

(ii) Cost of Construction: Per square meter plinth area rate of cost of construction as that of comparable structures of EWS Flats as worked out for every financial year by the Housing Accounts Unit (HAC) of DDA, to be taken in the absence of availability of actual current year (of the auction/disposal) cost of construction of built-up shops. In case the per square meter plinth area rate of the current financial year for the EWS flat is not available, the rate of previous financial year, plinth area rate of EWS houses may be taken for the purpose of reserve price fixation of built up shops/built-up properties.

(iii) Depreciation in the construction cost @ 1.25% per annum by straight line method for total number of years of age of construction to the maximum of 25%:

3. Furthermore, in case the unsold inventory of shops does not attract buyers in the next auction program despite the proposed multiplication factor by 1.5 on the land component, DDA may take further action as per the decision of Authority Resolution No. 53/2017 which states that "after two unsuccessful attempts of auction in respect of plot/built-up properties, DDA may put in place an internal mechanism to examine and suggest the ways and means towards fixation of reserve price in respect such plots/properties".

VII. APPROVAL SOUGHT FROM THE AUTHORITY:

Approval may be granted for the proposal in para VI above.

RESOLUTION

The proposal contained in the agenda item was approved.

ITEM NO. 53/2017

Subject: Review of Policy for Fixation of Reserve Price for sale/ allotment of Delhi Development Authority (DDA) properties (Land/Shops etc) through Public Auction/E-Tender.
F.No.1(114)17/LD/Coord.

Background Note

1. Rule 8 of the DDA (Disposal of Developed Nazul Land) Rules 1981 (hereinafter referred to as 'Nazul Rules') read with Rule 4 (2) and provisions contained in Chapter III and IV of these rules, provide for the manner and procedure for disposal of land or property for Residential, Industrial, Commercial and Institutional purposes on auction/tender basis. The Nazul Rules provide fixation of premia and ground rent for such land from time to time.

As per Resolution No. 54/2000 dated 19.8.2000, the procedure for fixation of Reserve Price by a Price Fixation Committee (PFC), comprising a representative each of the Management, Planning and Finance Wings, was prescribed as follows:

- (i) The PFC may recommend the reserve price for plotted development of residential, commercial and industrial properties at the beginning of every financial year, provided that the PFC may, if circumstances so require, also meet during the year to fix reserve price for a particular property if the same could not be fixed at the beginning of the year due to lack of availability of the property or any other reason.
- (ii) The PFC would consider average auction rates received in the immediately preceding year in making its recommendations. The PFC would recommend the percentage factor by which the reserve prices may be kept below the average auction rate of the previous year for the area keeping in view the use category of the property. The PFC would, as a rule, fix the reserve prices at 10% below the average auction rate of the previous year. Should the PFC decide to deviate from this percentage, in case of any use category, the reasons for doing so ought to be explicitly brought out.
- (iii) If the average auction rate of the area is not available, the average auction rate of the comparable area would be taken, the comparable area may be determined in terms of the following parameters:

2011/C
2008/C
1871/C

- Level of development of the surrounding area
- Proximity to a developed area
- Accessibility of the area
- Presence of slums or squatter settlements
- The state of the property market in terms of market expectations and any other consideration to be recorded specifically

(iv) If the average auction rate of the immediately preceding year is not available, the rate of the previous years may be updated by a certain percentage per annum as at present. This percentage was 20% till 2002-03. The policy provided that the exact percentage may be decided by the PFC from year to year, depending on the state of the property market.

(v) In arriving at the average auction rate for industrial property, the size of the plot may also be taken into account.

(vi) The recommendations of the PFC would require the approval of Finance Member and Vice Chairman before these are implemented.

The percentage for updation of land rate was revised to 12.5% from 2002-03 onwards.

2. The above procedure was amended vide Circular dated 24.9.2005 to the following extent:

(i) The PFC may fix the reserve price twice in a year, i.e. at the beginning of the first half-year and the second half-year of a financial year.

(ii) The PFC may further reduce the reserve price of a plot put to auction for at least two times without any response of bids, after duly recording reasons for reduction.

(iii) For fresh plot to be put to auction during the second half of the year of the left-out plots for which reserve price was already fixed but which could not be put in the auction programme, the PFC may take into account the current market rate of the year for fixation of reserve price of such plot. Reserve price for such plots may be fixed on the basis of average auction rate of the current year minus 25% subject to a minimum reserve price calculated on the basis of average auction rate of the preceding year minus 10%.

2014/c
203/c
153/c

3. The procedure for fixation of reserve price was modified vide Resolution No. 40/2015, followed by circular No. PS/PC(LD)2001/Comm. Properties-5/Pt. Files/75 dated 6.5.2015, as follows:

The PFC headed by Commissioner (LD/DA) comprising a representative each of the Management, Planning and Finance wings, will continue to be responsible for making recommendations on reserve price of industrial, commercial, institutional and residential plots as well as built-up properties. The procedure to be adopted by the PFC for making recommendations on the Reserve Price would be as follows:

(i) The Committee may engage a minimum of two independent valuers for Commercial, Industrial, Residential and Institutional plots and Built-up properties and seek fair reserve price regarding each of the property or a group of similarly placed properties.

(ii) On the basis of fair reserve price as assessed by the valuers, normally the highest of the fair reserve price as assessed by the valuers will be considered by the PFC for fixing the reserve price. In case of deviation, the reasons for doing so should be explicitly brought out.

(iii) The recommendations of the PFC would require the approval of the Finance Member and the Vice Chairman before they are implemented. The decision of the Vice Chairman will be final.

In case, no bid is received in respect of certain properties (vacant as well as built-up), the PFC may fix the reserve price on lower side after fresh valuation of the properties by the independent valuers, following the procedure as in para (ii); in case, the same valuation report is used, the matter would be referred to a committee consisting of Vice Chairman, Finance Member and Principal Commissioner (LD), for fixation of reserve price of that property or a group of similar properties.

As may be seen from above, presently the policy of obtaining reports from the Registered independent DDA Valuers is in vogue for determining the reserve price for sale of plots/built-up properties.

Need for change of Policy

4. The disposal of developed Nazul lands by DDA have been poor over the years due to inter-alia high reserve price fixed by DDA on auction based on the criterion laid down. The existing policy provides that highest of the reserve price as assessed by the Independent

2011-12
 1502

valuers may be taken as the reserve price. It has been observed in the past that there existed a huge gap in the reserve price fixed by different valuers for same properties, which sometimes was observed even to the extent of 40%. This is perhaps the main drawback of the existing policy for which DDA could not get any buyer during the last attempt made by it in May, 2016 to dispose of 42 commercial properties. The DDA has not been successful in disposing its properties even on the reserve price assessed by the Regd. Valuers which represents the market rate in respect of various uses.

5. Statement showing the year-wise breakup of the plots/built-up properties put to auction and sold during the last six years in DDA is as under.

6. The issue of review of the procedure for fixation of Reserve Price has also been deliberated by a committee headed by the then Finance Member, DDA and other officers from DDA in June/July, 2016 constituted at the behest of Secy(UD) Govt. of India and the committee proposed inter-alia the following guidelines for the disposal, by auction, of DDA plots/properties:

87

226

28/11/14

20/11/14

(10/11/15) c

- i. An original reserve price (ORP) will be entitulated in respect of each auction as follows: The latest auction price of similar properties will be updated @ 12.5% per annum compounded up to the date of the proposed auction and reduced by 20% to arrive at a reserve price. ORP under no circumstances will be less than the No Profit No Loss Rate.
- ii. After the determination of the ORP, two valuations will be obtained from experienced, registered and pre-approved valuers for the property or group of similar properties, scheduled to be put an auction. The assignments to valuers will be awarded confidentially through the roster. The lower of the two valuations will be designated V-L and the higher one V-H.
- iii. Where V-L and V-H differ by more than 10%, the PFC will converse with the valuers concerned to understand the reasons for difference in the two valuations. After this, the PFC will arrive at a single valuation, called Valuation Based Reserve Price (VBRP). Where V-L and V-H do not differ by more than 10%, V-H will be the VBRP.
- iv. Higher of ORP and VBRP will be adopted as the Reserve Price for auction.

7. The matter has again been reviewed and observed as under:
 - The reserve price may be fixed based on the current Circle rates of that area – which reflects the guideline value of the properties, set by the revenue authorities and fixed by the respective Govt. Circle rates are in public domain and thereby bring in enhanced transparency.
 - The assessment report of the valuers can be a case of subjective interpretation and amenable to influence by other factors.

Circle Rates fixed by GNCTD

8. The Government of Delhi has notified circle rates to designate the minimum rate at which property should be registered and taxed w.e.f. September, 2014. Accordingly, Delhi has been categorized in 8 circles marked A to H, with A being the highest priced circle and H being the low priced circle. The Minimum Rates (Circle Rates) for valuation of Land and Properties for purposes of payment of stamp duty under Indian Stamp Act, as applicable to Delhi & Registration Fees under the Registration Act, 1908 in Delhi is as under:-

Benefits of fixation of Reserve Price based on Circle Rate

- > In the past, DDA has failed to dispose of its plots/properties through auction based on the reserve price fixed. In fact, during the recent past, there have been no auction except a few cases and thus updation of the auction rates is not practical and termed as near to market value.
- > The Circle Rates are more realistic as they represent the guideline value of the properties.
- > It will reduce the market speculations also. The Circle Rates are derived by the State Govt. by a systematic procedure and there will be no requirement

in future for the DDA to calculate the reserve price time and again which further delays the process of auction.

➤ This will help in disposal of the plots/in-built properties more quickly and in a time based manner.

Proposal

10. i) The fixation of Reserve Price for auction of Residential, Institutional, Industrial and Commercial plots/built-up properties of DDA as mentioned at Para 8 may be considered and approved by the Authority.

ii) The Authority may further approve the adoption of Circle rates and other parameters by DDA as may be notified by the GNCTD from time to time for fixation of Reserve price on the same lines.

iii) after two unsuccessful attempt of auction in respect of plot/built-up properties, DDA may put in place an internal mechanism to examine and suggest the ways and means towards fixation of reserve price in respect of such plots/properties.

RESOLUTION

The proposal contained in the agenda item was approved with the following modifications in the multiplication factors for different land uses:-

182. The matter has already been concurred by the finance subject to administration decision. However, in respect of observations of Law Officer, DUSIB it is submitted that generally the Perpetual Lease had already executed in favour of allottees who have earlier purchased the shops/plots via auction from RP Cell. However, after checking randomly, it is observed that in some cases the Perpetual Lease has not executed as on date. Further, this file has been forwarded to Law Officer, DUSIB for opinion that in all cases, which pertains to RP Cell of DUSIB, this office may treat the 'market value' as Circle Rates of Delhi Govt. and policy of DDA as mentioned in para 177.

183. In view of the above, the file may be forwarded to Law Officer, DUSIB to consider the proposal of RP Cell in legal point of view. However, before transferring of lessee, the RP cell will consider all parameters to avoid any discrepancies at later stage and after getting approval of Competent Authority.

In compliance to para no 267 on page no 58/N, it is submitted that as per terms and conditions of sale of Built up Shops by auction, there is a provision for Lessor/DDA (Slum Wing) i.e. DUSIB to claim and recover a portion being 50% of unearned increase in the value of the land (i.e. difference between the premium paid and the market value) of the shop at the time of sale, transfer, assignment or parting with possession. The decision of the lessor in respect of market value of the shop shall be final and binding. (refer Page no 3/C to 6/C)

269.

Further, DDA has policy for price fixation of Reserve price of Built up shops/Units in which Cost of Land component is arrived by as per undernoted details:

Circle rate of the category of locality in which Built up Shop is located and a Multiplying factor of 2(two) is applied to reflect for commercial nature of property.(Assuming that Commercial Complexes were built on 100FAR)

270.

Moreover, the Multiplying factor in the present case is 3 (three) used by RP Cell as para no 266 on page no 58/N.

271.

In light of above facts, the calculation has been checked for Rs12, 73,374/-(Rupees Twelve Lacs Seventy three thousand three Hundred Seventy four only).

274. May like to see the remarks of Dy. Director(RP) dated 18.02.2025 vide which it has been directed to put up as per comments of finance(P-59/N).

275. In this regard, the comments of finance dated 14.02.2025 at P-59/N has been gone through. Before submitting the proposal to higher authorities some observations needs to be clarified by the Finance Wing of DUSIB which are discussed hereunder:

- 01. The DCA-I/B&FO had discussed the policy of DDA for fixation of reserve price of built up shops/unit vide which multiplying factor of 2(two) has been applied for commercial nature of property but the calculation has been checked and concurred for multiplying the factor 03(three) which needs clarification i.e. which factor has to be adopted in DUSIB. However, opinion of Law Officer, DUSIB at Para 186(P-39/N) may also be considered before concurring the proposal.
- 02. The Formula used to calculate the requisite charges to be recovered from the purchaser on the basis of 50% unearned increase in market value, taking the prevailing circle rate instead of market value, needs to be checked/concurred, not the calculation.
- 03. The comments on proposal at "A" at Para 266 (Page 58/N) are also solicited.
- 04. It may also be commented that RP Cell of DUSIB may adopt the Circle Rate of Delhi Government instead of market value while calculating the requisite charges to be recovered from purchasers in the all cases of RP Cell of DUSIB.

276. The matter may be placed before the higher authorities for consideration and onward submission to finance for financial concurrence being a policy matter.

In reference to observations at 267-58/N finance has commented vide para 268-272 at 59/N which seems to be ambiguous given the opinion of law branch with to applicable factor for arriving at market price w.r. to circle rate as has been discussed in previous note. The above note of RP Cell may seen vide which some clarifications have been sought from finance. In this context, the point wise clarification given below:

1. The multiplying factor-3, used in calculation to arrive at the minimum Land price/ value of commercial property, has been proposed by RP Cell. Further, Law Office, DUSIB has advised for use of multiplying factor 3 (para 186, Page -39/N) and also, in concurrence with rates prescribed by Delhi Govt (P-219/C).

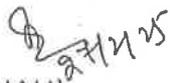

2. When the calculation has been checked, it is implied that it is based on the formula mentioned therein. It is mathematical formula for which no concurrence of finance is required.

3. Being policy matter, no comments from finance is required.

4. The adoption of rates i.e. Circle Rates instead of Market Value (in absence of market rates) by the Deptt is purely an administrative matter.

AGENDA

Subject: To recover the charges on account of 50% unearned increase in "Market Value" as per "Circle Rate" in respect of 17 nos. of shops/stalls (03 times of circle rate) for transfer of Perpetual Lease provided that purchasers are deemed eligible as per requisite documents.

01.The NCRTC vide letter dated 07.07.2023(Annexure-A) has requested DUSIB to permit the relocation of 17 nos. of shops/structures of Apna Bazar on adjoining DUSIB land and has also submitted the survey report in this regard(Annexure-B). These shops were auctioned in the year 1985. The DUSIB has also got the survey report from DD(Survey) in respect of these 17 F&V stalls/shops(Annexure-C) which are falling in shadow area of elevated road connecting Ring Road to NCRTC Complex at Jangpura and the details is given hereunder:

02. On perusal of record, it is revealed that out of these 17 shops, the records of shops no. 71 & 72 are available in SCP Cell. It is presumed that rest 15 shops were disposed of by RP Cell with 13 nos. of the shopkeepers are not being the original allottees. Further, the record/files of shop no. 1, S-1, S-2, S-3 & S-4 of Apna Bazar are not found in RP Cell and the details of these shops would be sought from the occupants to ascertain the actual status of allotment.

03. It is further submitted that, Further, as per request of NCRTC, the IAL branch of DUSIB has allotted a land measuring 235 sqm vide letter No. F-14/273/NCRTC/IAL/DUSIB/204744859/D-925 dated 13.10.2023 (Annexure-D) for development of these 17 shops. The NCRTC vide letter No. NCRTC/DM/CPM-INA/RR/External Agencies/2021/131-B/2049 dated 01.10.2024 has informed that the shops for relocation has already been constructed on the allotted land and requested DUSIB to take over the possession of these 17 shops for further allotment to the shopkeepers whose shops are falling in the shadow

area of elevated road (Annexure-E). Accordingly, this office vide letter No. F/2724/18/Misc./RP/DUSIB/2023/D-808 dated 11.10.2024 has directed the Ex. Engineer, C-05 to take over the possession of these shops under intimation to this office. Accordingly, the AE, C-05 has taken over the possession of these new built up shops from the officials of NCRTC on 23.11.2024 (Annexure-F)

04. Further, before relocation, this office has to recover outstanding dues on a/c of Ground Rent and the requisite transfer charges, as per the terms and conditions of tender documents/Perpetual Lease which is being reproduced as under:

IV(v) In the event of consent being given the Lessor/DDA(Slum Wing) may impose such terms & conditions as it think fits. The Lessor/DDA(Slum Wing) shall also be entitled to claim and recover a portion being 50% of the unearned increase in the value of the land (i.e. difference between the premium paid and the market value) of the shop at the time of sale, transfer, assignment or parting with possession. Provided that the Lessor shall have pre-emptive right to purchase the shop after deducting 50% of the unearned increase as aforesaid. The decision of the Lessor in respect of market value of the shop shall be final and binding. (Annexure-G)

Brief background:

05. DUSIB has auctioned small shops in various locations all over Delhi including Nehru Nagar as per terms & conditions of auction which are annexed as Annexure-F. There is no proper mechanism available to ascertain the market value of property and accordingly DDA has approved and adopted the policy of calculating the market value on the basis of circle rates decided by GNCTD, wherein for each type of property there is a different multiplying factor. The details are as below:

Rates decided by DDA

Use	Residential	Public purposes, e.g. government, schools, hospitals, etc.	Public Utility, e.g., private schools, colleges, hospitals	Industrial	Commercial
Factor	1	1	1.5	1.5	2

06. Similarly, GNCTD has its own Factors for different types of properties as mentioned below:

Rates decided by Delhi Government

Use	Residential	Public utility e.g. private school, college, hospitals etc.	Industrial	Commercial
Factor	1	2	2	3

07. As per above mentioned tables, the factor for commercial properties in DDA is 2 i.e. the market value to be considered is twice the circle rate while, for commercial properties in GNCTD the factor is 3 i.e. the market value to be considered is thrice the circle rate (for calculating the stamp duty). Accordingly, DDA and GNCTD charge 2 times and 3 times the circle rate respectively in case of commercial properties.

08. The earlier proposal placed by RP Cell was based on the policy adopted by DDA i.e. charging two times the circle rate for collecting stamp duty in respect of commercial properties as such to attract more and more participants in auction and for better revenue generation aspects in DUSIB.

09. The matter was placed before the then CEO, DUSIB for his approval but the views of Finance Department and Law Department were sought. Accordingly, the matter was forwarded to Finance of DUSIB i.e. HAU branch and the same have already been concurred by the Finance subject to Administrative decision. However, Law Officer, DUSIB was of the opinion that, three times the Circle Rates of Delhi Government shall be considered by the Competent Authority. (Annexure-H)

10. Hence, the matter was again forwarded to Finance for consideration to recover the requisite charges in respect of 50% unearned increase in market value based on 3 times the Circle Rate for commercial property. There appears no uniform mechanism to arrive at Market Value and accordingly DDA has adopted a policy wherein charges to be considered are 2 times the circle rate for commercial properties. However, Delhi Govt. is charging the said fee on 3 times the circle rate in case of commercial properties for collecting stamp duty, as per area wise list (Annexure-I). Now,

calculation of stamp duty in respect of commercial properties @ 3 times the circle rate can be explained by illustration given below:

Area	Original cost/Premium	Land Cost as per Rates of Delhi Government (Category E)	Total Amount	50% unearned increase
12.28 sqm *	Rs. 35,000/-*	70080/-*	12.28X3X 70080 = 25,81,747 /-*	(25,81,747-35,000)/ 2 =12,73,374/-* (To be recovered from purchasers for transfer of Perpetual Lease)

*Subject to change in area/category/rate etc. in respect of shop/commercial plots etc. (Colony wise)

11. In view of the above, it is submitted that Finance and Law Department has concurred the proposal to treat "Circle Rate" as "Market Value" as per rate decided by Delhi Government (Annexure-J). It is therefore submitted that the charges shall be recovered from the purchaser as per the above calculation at 3 times the circle rate for transfer etc. of Perpetual Lease, to those deemed eligible subject to verifications of documents for the shops situated at Apna Bazar, Nehru Nagar which are falling in shadow area of elevated road connecting ring road through NCRTC complex at Jungpura only.

12. In order to implement the terms & conditions of the lease/agreement/Perpetual Lease IV(v) as outlined in para 04 on the aspect sale/purchase of the property, it is proposed that it may done at "03 time the circle rate for transfer of Perpetual Lease to those deemed eligible" subject to verification of documents for the shops, situated at Apna Bazar, Nehru Nagar which are falling in shadow area of elevated road connecting ring road through NCRTC complex at Jungpura only. Sub: Regarding seeking anticipatory approval for delegation of powers to Ex-Officio Secretarial status required for disposing the matter relating to Execution of Lease Deed/Conveyance Deed on behalf of DUSIB.

438 The instant matter is regarding grant of Ex-Officio Powers to the Officers at level of Dy. Directors/Directors/Pr. Director for signing the communications, orders, Lease Deed/Conveyance Deed for and on behalf of DUSIB. The matter has also been discussed with Chief Executive Officer, DUSIB in his chamber on 02.07.2025 in the presence of Member (Admn) and Pr. Director (Admn).

439. In this regard, it is submitted that Earlier Shri Rajender Kumar Gosain, the then Director (DUSIB) having an ex-officio status of Dy. Secretary for execution of Lease deed, conveyance deed in respect of the scheme/properties dealt by DUSIB has already retired on 31.10.2023.

440. However, subsequent to the retirement of the previous Vendor, no Vendor has been appointed, resulting in the pendency of all freehold cases. Consequently, the public are pressing hard to get their properties freehold, as they have already deposited all requisite dues and conversion charges.

441. It was reported by Housing Branch as well as Lease & Liquidation branch that as of now approximately 221 cases, comprising 50 Cases in the Housing Branch and 171 cases in L&L Branch, are pending for execution of conveyance deeds in respect of freehold conversion of properties, wherein the applicants have already submitted conveyance deeds duly stamped by the Collector of Stamps.

442. Approximately more than Rs. 6.00 crores have also been generated/collected by these sections after October 2023 to till date. The delay in executing conveyance deeds has resulted in public grievances and dissatisfaction. Furthermore, due to non-appointment of a Vendor, prospective applicants are hesitant to apply for freehold conversion of their properties, resulting in significant revenue loss for the department.

443 Recently, a draft agenda with following proposals, was placed before Hon'ble Chairperson, DUSIB/Hon'ble Chief Minister, GNCTD:

- a) That the officers of DUSIB i.e. Pr. Director/Directors/Dy. Directors may be automatically designated as Lessor/Vendor for signing/execution of Lease Deed/Conveyance Deed for and on behalf of Delhi Urban Shelter Improvement Board.
- b) That apart from the officers of DUSIB, officers posted from Delhi Government in DUSIB on deputation may also be automatically designated as Lessor/Vendor for signing/execution of Lease Deed/Conveyance Deed for and on behalf of Delhi Urban Shelter Improvement Board.
- c) Different officers are looking after the work of above branches in the capacity of Pr. Director/Director/Dy. Directors in DUSIB. Officers, who have assigned the respective branch, may not be given the powers for execution of Lease Deed/Conveyance Deed of the same branch in order to check and cross examination of the case and to maintain the transparency in the government offices.

Home, Power, U.D. Education, Higher Education, Training & Technical Education, T&T Education, Min/31/04 JUL 2025

d) CEO, DUSIB may be authorized under Section-50 of the DUSIB Act, 2010 for issuance of subsequent orders, if any, related to conferring of powers upon the officers relating to Execution of Lease Deed/Conveyance Deed on behalf of Delhi Urban Shelter Improvement Board.

444. It is also submitted that large number of public is visiting frequently in the office of undersigned for execution of freehold. Some of them are above the age of 90 years. This department becomes helpless of such senior citizens due to non availability of Vendor/Lessor, though the agenda has already been approved for placing in the same in the next Board Meeting.

445. As per noting of Secretary to Hon'ble CM, Delhi dated 21.06.2025 at Page 115/N. Hon'ble CM has approved the draft agenda for placing the same before the Board in its next meeting, which is placed opposite, with all details, in the file at P-176/C-177/C.

446. Since, convening of Board meeting may likely to take more time, the matter may be placed before Hon'ble Chairperson, DUSIB/Hon'ble CM, Delhi seeking anticipatory approval to the aforementioned proposal given in Para 443 in order to expedite the clearance of pending cases and mitigate public inconvenience and preventing further revenue loss to the department in the larger public interest. As and when the Board Meeting would be held, the same shall be placed before the Board for its ratification.

Submitted please.

Sub: Regarding seeking anticipatory approval for delegation of powers to the Officers at level of Dy. Directors/Directors/Pr. Director for disposing the matter relating to Execution of Lease Deed/Conveyance Deed on behalf of DUSIB.

471 The instant matter is regarding grant of Ex-Officio Powers to the Officers at level of Dy. Directors/Directors/Pr. Director for signing the communications, orders, Lease Deed/Conveyance Deed for and on behalf of DUSIB.

472. The file was moved to Hon'ble Chairperson, DUSIB/Hon'ble Chief Minister, Delhi for seeking approval with the following proposals for placing the same before the next meeting of DUSIB Board:

- a) That the officers of DUSIB i.e. Pr. Director/Directors/Dy. Directors may be automatically designated as Lessor/Vendor for signing/execution of Lease Deed/Conveyance Deed for and on behalf of Delhi Urban Shelter Improvement Board.
- b) That apart from the officers of DUSIB, officers posted from Delhi Government in DUSIB on deputation may also be automatically designated as Lessor/Vendor for signing/execution of Lease Deed/Conveyance Deed for and on behalf of Delhi Urban Shelter Improvement Board.
- c) Different officers are looking after the work of above branches in the capacity of Pr. Director/Director/Dy. Directors in DUSIB. Officers, who have assigned the respective branch, may not be given the powers for execution of Lease Deed/Conveyance Deed of the same branch in order to check and cross examination of the case and to maintain the transparency in the government offices.
- d) CEO, DUSIB may be authorized under Section-50 of the DUSIB Act, 2010 for issuance of subsequent orders, if any, related to conferring of powers upon the officers relating to Execution of Lease Deed/Conveyance Deed on behalf of Delhi Urban Shelter Improvement Board.

473. As per noting of Secretary to Hon'ble CM, Delhi dated 21.06.2025 at Page 115/N, Hon'ble CM has approved the draft agenda for placing the same before the Board in its next meeting, which is placed opposite, with all details, in the file at P-176/C-177/C.

474. It is further submitted that large number of public is visiting frequently in the office of undersigned for execution of freehold. Some of them are above the age of 90 years. This department becomes helpless of such senior citizens due to non availability of Vendor/Lessor, though the agenda has already been approved for placing in the same in the next Board Meeting.

475. Since, convening of Board meeting may likely to take more time, the matter was placed before Hon'ble Chairperson, DUSIB/Hon'ble CM, Delhi seeking anticipatory approval to the aforementioned proposal given in Para 472 in order to expedite the clearance of pending cases and mitigate public inconvenience and preventing further revenue loss to the department in the larger public interest.

P.T.O.

476. Hon'ble Chairperson, DUSIB/Hon'ble CM, Delhi has approved the above proposal in Para 447 at Page 117/N, authorizing CEO, DUSIB under Section-50 of the DUSIB Act, 2010 for issuance of subsequent orders, related to conferring of powers upon the officers relating to Execution of Lease Deed/Conveyance Deed on behalf of Delhi Urban Shelter Improvement Board.

477. Accordingly, the order bearing No. D-876 dated 18.07.2025 has been issued, which is placed opposite in file at page 179/C.

478. Now, the draft agenda is to be placed before the next Board meeting for ratification, as and when held, a draft agenda has been prepared with regard to delegation of powers to CEO, DUSIB authorized under Section-50 of the DUSIB Act, 2010 for issuance of subsequent orders, related to conferring of powers upon the officers relating to Execution of Lease Deed/Conveyance Deed on behalf of Delhi Urban Shelter Improvement Board.

479. The same has been placed opposite for approval please.

Submitted please.

NOTE FOR THE COUNCIL OF MINISTERS

Subject: Proposal for the implementation of 100 Atal Canteens for the people of JJ clusters to provide nutritious meals at a subsidized rate of Rs. 5.00 per meal by Delhi Urban Shelter Improvement Board (DUSIB), GNCTD.

1. **INTRODUCTION:**

- 1.1 The Delhi Urban Shelter Improvement Board (DUSIB) proposes to establish 100 Nos. of Atal Canteens in JJ Clusters to provide affordable and nutritious meals to economically weaker sections.
- 1.2 This initiative aims to enhance food security and improve the nutritional status of urban poor residents living in JJ Clusters.

2. **BACKGROUND:**

- 2.1 Atal Canteens will integrate best practices, including digital meal distribution, digital based monitoring, and a token-based system to ensure transparency and efficiency.
- 2.2 The draft Cabinet Note is prepared based on the policy announcement made in budget speech of Government of NCT of Delhi for the year 2025-26

On
VIJAY KUMAR BIDHURI, IAS
Secretary (UD)

which mentions that Food is a basic need of every human being. To enhance food security and improve nutritional status of economically weaker sections, Rs.100 crore has been arranged for setting up Atal Canteens to provide nutritious and subsidized food at 100 locations in Delhi by the birth centenary of late Atal Bihari Vajpayee Ji.

- 2.3. The "ATAL CANTEENS" would be established in JJ Clusters of Delhi. The number of canteens may increase or decrease based on demand or requirement. The scheme aims to ensure food security in these areas on subsidized rate i.e. @ Rs. 5.00 per meal.
- a) There are about 675 JJ Clusters across the Delhi, 100 Atal Canteens are to be established in these JJ Clusters, as per detail highlighted in Para- 3.6.
 - b) DUSIB being an implementing agency, an inter-departmental committee comprising of senior officials of different departments of the Govt. under DUSIB, will be constituted for framing of modalities, menu, locations, distribution system, etc. in respect of Atal Canteen Scheme. Such modalities, menu, locations, distribution system, etc. in respect of Atal Canteen Scheme will be finalized under Urban Development Department of GNCTD.
 - c) Preparation of food by service provider(s) will be carried out in established centralized kitchen on rented/owned space. The service provides(s) shall also ensure that the food is distributed to the food disbursals area in JJ Cluster, to facilitate the providing of meals to the beneficiaries. Most importantly, the prepared food from the centralized kitchen shall be transported by the service provider(s) to the different distribution centers by maintaining hygienic conditions such as in best possible stainless steel utensils.

3. PROPOSAL:

- 3.1 Establishment of 100 Atal Canteens in JJ Clusters for serving 1000 meals (500 lunch and 500 dinner) at a subsidized rate of Rs. 5.00 per meal.

VIJAY KUMAR BIDHURI, IAS
Secretary (UD)

3.2 Meal Pricing:

The actual cost of the meal is expected to be ₹30 per meal per person, out of which:-

[Annexure-A]

- ₹25/- is subsidized by the Delhi Government.
- ₹5/- is paid by the beneficiary.

3.3 Any modalities required to be altered/ amended, if essentially required, in the interest of the JJ Cluster dwellers with regard to the Atal Canteen Scheme, shall be carried out only after taking prior approval of the Hon'ble Minister (UD), GNCTD.

3.4 Meal Distribution Eligibility Criteria:

In view of the best practices adopted in other states like Rajasthan (Annapurna/Indira Rasoi), Madhya Pradesh (Deendayal Antyodaya Rasoi), Andhra Pradesh (Anna Canteen) and Tamil Nadu (Amma Unavagam), the eligibility criteria for availing meals under the Atal Canteen Scheme in Delhi would be based on the principle of 'Self-Selection'. This would mean that any person, irrespective of income, identity, or domicile status and without any documentary requirement or proof of eligibility, may avail a nutritious meal on 'First-Come-First-Serve Basis', limited to first 500 persons per meal at the subsidized cost of ₹5 per plate without matter of right. However, the residents of the JJ Clusters would be the primary target for the Atal Canteen Scheme. Such an approach ensures ease of access, dignity of beneficiaries, and prevents exclusion errors while serving the intended purpose of food security for the urban poor, as envisaged in the scheme's objective. The Bio-metric based digital token identification mechanism proposed shall be adopted for distribution meals to the beneficiaries and CCTV monitoring at disbursal center will also be done.

VIJAY KUMAR BIDHURI, IAS
Secretary (UD)

The comparative table of eligibility criteria's of different State Models are as follows:

State/UT	Scheme Name	Eligibility Criteria
Rajasthan	Annapurna/Indira Rasoi Yojana	Universal access; any person can avail meal at ₹8 per plate without eligibility proof.
Madhya Pradesh	Deendayal Antyodaya Rasoi Yojana	Self-selection; any needy person can get meal at ₹10 per plate; no ID required.
Andhra Pradesh	Anna Canteen	No identification card is required to access this scheme; any person can avail meal at ₹5 per meal.
Tamil Nadu	Amman Unavagam	Universal access; open to all without any documentation at ₹10 per plate.
Delhi (Proposed)	Atal Canteen	Universal access; self-selection; any hungry person may avail meal at ₹5 per plate without any document proof.

3.6 Atal Canteen Establishment Criteria:

To ensure optimum placement and equitable distribution across JJ Clusters in Delhi. Atal Canteens will be established based on population size, which is at **Annexure-B**. If required, the clusters with lower populations will be clubbed with adjacent clusters for effective coverage.

Note: The Atal canteen shall not be established in the JJ Clusters which are under shifting/ rehabilitation and if JJ Cluster is shifted/ rehabilitated the established Atal canteen shall be wrapped off and shifted to another JJ cluster.

3.7 Rationale for per day 1,000 Meals (500 lunch + 500 dinner) per Canteen:

The initial cap of 1,000 meals per canteen per day (500 lunch + 500 dinner) has been proposed on following considerations:

Am
VIJAY KUMAR BIDHURI, IAS
Secretary (UD)

-151-
6

3.7.1 Pilot Scale Implementation:

The scheme is being launched as a scalable pilot, with 100 Atal Canteens to evaluate operational feasibility, logistics, cost efficiency, and service quality before assessing need for full-scale expansion.

3.7.2 Logistical and Infrastructure Constraints:

Given limitations in space availability, food distribution infrastructure, and central kitchen capacity, 1,000 beneficiaries per day is a practically manageable volume during the initial phase.

3.7.3 Equitable Coverage Strategy:

The scheme aims to geographically distribute canteens across clusters in a manner that maximizes coverage and accessibility across the NCT of Delhi. A single canteen may serve beneficiaries from multiple nearby clusters.

3.7.4 Scope for Demand-Based Scaling:

Based on real-time digital monitoring and feedback, the number of meals per canteen can be increased or additional canteens can be added in high-demand areas in subsequent phases, subject to Government approval.

4 FINANCIAL IMPLICATION:

4.1 The annual cost is calculated for a period of 01 years and is as follows [Annexure-C]:

Component	Amount (₹)
Total Meal cost	109.50
Infrastructure Support (ANNEXURE-C)	7.29
Total - 'A'	116.79
Digital Monitoring @ 3% on A	3.50

VIJAY KUMAR BIDHURI, IAS
Secretary (JD)

Third-party Audit @ 1% on A	1.17
Total - 'B'	121.46
Contribution Received from beneficiary on Total Meal cost	(-) 18.25
Total - 'C'	103.21
Labour Cess @ 1% on C	1.03
Total Annual Cost	₹ 104.24 crore

4.2 GST Exemption on Beneficiary Contribution:

It is clarified that the total amount of ₹30/- per meal i.e. ₹5/- charged from the beneficiaries per meal and ₹25/- per meal subsidy from the Government shall be exempted from Goods and Services Tax (GST). This exemption is in accordance with the GST notification: 12/2017-Central Tax (Rate); dated: 28.06.2017, S. No. 4 (Chapter-99) which states that:

"Services by Central Government, State Government, Union territory, local authority or governmental authority by way of any activity in relation to any function entrusted to a municipality under Article 243W of the Constitution".

Since the provision of subsidized meals to urban poor in JJ Clusters falls squarely within the scope of public health and nutrition, this scheme qualifies for GST exemption. Therefore, no GST shall be levied on the ₹5/- collected from the beneficiaries under this scheme.

5. NEED AND JUSTIFICATION:

- 5.1 The initiative ensures access to affordable and nutritious food for the urban poor, supporting their well-being and health.
- 5.2 The Bio-meteoric based digital identification monitoring system will help track meal distribution in real-time and prevent misuse.
- 5.3 In order to provide transparency and avoid financial implications, the monitoring would be carried out to ensure that only one meal per person is issued by the service provider, for lunch and dinner. This would mean that any person, irrespective of income, identity, or domicile status and without any documentary requirement or proof of eligibility, may avail a nutritious meal on 'First-Come-First-Serve Basis', limited to first 500 persons per meal at the subsidized cost of ₹5 per plate without matter of right.

 Secretary (UD)

5.4 The program will also generate employment opportunities for cooks, vendors, and service personnel.

6. **INTER-DEPARTMENTAL CONSULTATIONS:**

This Cabinet Note along with the annexures has to be circulated to Finance, Planning, Law and Social Welfare Departments of GNCTD for their comments and suggestions.

Note:-

Hon'ble Minister (UD) has desired that the department may explore feasibility of providing meal free of cost to targeted beneficiaries by Atal Canteens at designated locations through appropriate agencies/individuals etc., if the department/Govt. provides them rent free kitchen place and distribution space till the time free meal is provided subject to the conditions laid down by DUSIB. Departments are requested to give their comments on this provision also.

relevant to mention here that the Delhi Urban Shelter Improvement Board Act, 2010 was enacted by the Legislative Assembly of Delhi. The functions of the Board are mentioned under chapter III of the Act. The Finance, Accounts and Audit of the Board are mentioned under chapter IV. The function to provide affordable and nutritious food for the urban poor and support their well-being and health, is not been mentioned in the aforesaid and other provisions of the Act. This aspect may be considered by the Administrative Department.

5. Since the annual expenditure involves significant funds, the compliance with relevant budgetary and financial rules including the General Financial Rules (GFRs), need to be considered by the administrative Department in consultation of the Finance Department,

6. The above comments are offered based on the materials furnished and in the absence of any specific legal issue being flagged for detailed examination. The matter may be processed for the consideration of the matter by the Hon'ble Council of Ministers, subject to the adherence to the GNCTD Act, 1991, the ToBR. 1993, and the incorporation of the aforementioned legal safeguards.

wherein it is referred that the Hon'ble Minister (UD) has approved the draft of cabinet note and the same has been forwarded to this Department regarding seeking departmental consultation (ref at 43/C).

2. In this regard, it is submitted that the initiative of establishing Atal Canteens to provide nutritious meals at subsidized rates to people of JJ clusters and other vulnerable sections of society is indeed a commendable step. The scheme is expected to significantly contribute towards addressing hunger and malnutrition among the urban poor and ensuring access to hygienic and affordable food.
3. Further, in order to ensure the access to affordable and nutritious food for the urban poor, supporting their well-being and health (point no. 5.1), it is submitted that FSSAI guidelines may be followed for providing hygienic and nutritious food to resource poor population.
4. In view of above, if agreed and approved, the file may be submitted to competent authority seeking approval on the aforementioned comments/suggestions for its onward submission to the concerned department.

While considering the views of the Finance Department, Government of NCT of Delhi on the above draft cabinet note, It has been conveyed by Secretary to Hon'ble Chief Minister as follows:-

"HCM has desired that the proposal be resubmitted as discussed in the presentation made by CEO, DUSIB please"

Accordingly file bearing CD No. 012808679 is returned in Original taking further necessary action in the matter.

Comments of Planning Department

Comments of the Department

In this regard, if approved, the following comments of Planning Department may be forwarded to DUSIB:

Suggestions given by the planning department are accepted and requisite changes, as desired are made.

i. It is observed that the UD Department has not incorporated any details regarding the regular monitoring of the food distribution mechanism and the quality of food. As food distribution at subsidized rates may inherently prone to mismanagement, it is imperative to establish a robust and effective monitoring system. Furthermore, it is essential to ensure that the food being served is prepared in a hygienic environment, provides adequate nutritional value, and is served in a safe and consumable condition. In this context, it is recommended that an independent and structured monitoring mechanism be instituted, with clearly defined provisions for remedial action in the event of any deviation from the stated objectives of the scheme.

ii. It is suggested that the Department may also prepare a draft scheme document along with detailed guidelines in the

130w

prescribed format (Page-F/A). Further, it is advised that the Scheme Write-up (Page-F/B), Annual Action Plan (Page-F/C), and Outcome Budget (Page-F/D) pertaining to the scheme may be duly prepared and furnished to the Planning Department, with the approval of the Hon'ble Minister (Urban Development), subsequent to the approval of the proposal by the Council of Ministers.

iii. It is suggested that DUSIB may consider aligning the objective(s) of the proposed scheme with the broader goal of promoting self-reliance among economically weaker sections, particularly the residents of JJ clusters. This may be achieved through structured efforts aimed at need-based skill development and livelihood-oriented capacity building, aligned with the nature of work and services undertaken by the Department. Such an approach would not only enhance employment opportunities for the target population but also enable them to attain livelihood security and access to adequate and nutritious meals through dignified and sustained income generation.

iv. The Draft Cabinet Note should conform to the guidelines issued by Cabinet Secretariat in the "Handbook on writing Cabinet notes." Strict adherence of the afore-mentioned guidelines has been reiterated in the order dated 12/11/2024 of Chief Secretary including noting the merits and demerits of the proposal.

The Budget Estimate for the Scheme "GIA to DUSIB for Atal Canteen in JJ cluster to provide nutritious meal for the F.Y. 2025-26 is ₹100 Crore.

REQUEST FOR PROPOSAL (RFP)

1. The Atal Canteen Scheme has been envisioned by the Delhi Government through Delhi Urban Shelter Improvement Board (DUSIB) with the objective of ensuring nutritious, hygienic, and affordable meals to the beneficiary/Citizen residing in JJ Clusters across Delhi.
2. The Delhi Urban Shelter Improvement Board, Govt. of NCT of Delhi, invites Request for Proposal (RFP) for the engagement of interested, eligible, competent and capable groups or organizations including NGOs/VOs/Corporate/Proprietorship/Cooperative societies etc. Organizations must be a body registered under the Societies Registration Act, 1860 or the Indian Trust Act, 1882 or Companies Act, 2013 or under any other Central/ State Act being in force, as may be applicable, and should have been in the operational existence for a minimum period of five years on the date of publication of this notice. They must be competent and prepared to undertake the supply of food meal responsibly and to abide completely by the parameters of statutory bodies and subsequent changes from time to time.
3. Under this RFP initiative, 100 Atal Canteens will be established in different JJ Clusters. Each canteen will serve 1,000 meals per day (comprising 500 lunches and 500 dinners) at a subsidized rate of ₹5/- per meal.
4. This scheme not only addresses food security but also seeks to promote equity, inclusivity, and dignity for the urban poor.
5. The interested Applicant Organization should be a body registered under the Societies Registration Act, 1860 or the Indian Trust Act, 1882 or Companies Act, 2013 or under any other Central/ State Act and should have been in existence for a minimum period of five years on the date of publication of this notice. If Applicant Organization is a Society/Trust then it should have a properly constituted Management/Governing Body with its powers and duties clearly defined in its constitution. Names of all office bearers involved in the establishment and management of such Applicant Organizations should be disclosed along with their roles and responsibilities in the Organization. If any of the office bearers hold a public office, then details of that office should also be mentioned specifically.
6. Operation of the Centralized Atal Canteen Kitchen: The selected service provider, who will establish Atal Canteen kitchen, shall be responsible for preparing and delivering food to designated disbursement points in JJ Clusters or nearby JJ Clusters, ensuring timely and accessible meal provision to beneficiaries. Food shall be transported under hygienic conditions using high-quality stainless-steel utensils and shall be distributed in stainless-steel utensils like partition type plate, spoon, bowl, glass, etc. The responsibility for this operation shall rest with the applicant organization NGOs/VOs/ Corporate/ Proprietorship/ Cooperative societies etc. having familiarity with the needs and culture of the State. The applicant organization must undertake the supply and should give commitment to abide by the direction/ Guidelines issued by the implementing department i.e. DUSIB from time to time.
7. The freshly hot cooked meal with prescribed menu has to be supplied at Atal Canteen i.e. at distribution points to the beneficiary/Citizen from Existing/Proposed independent decentralized semi-automated Atal Canteen kitchens with prescribed infrastructure and as per prescribed terms and conditions.

8. Applicant Organization should have all the requisite infrastructure in the kitchen for preparation of meal. It should be able to set up the dedicated kitchen for Atal Canteen as per Terms & condition of the RFP within 30 days from the date of issue of work order issued.
9. Accordingly, in case of PROPOSED KITCHEN, Applicant Organizations (having experience in the mass supply of hot cooked meal) should have other existing running kitchen in Delhi or outside Delhi for reference purposes and should submit details of (i) Proposed semi-automated de-centralized kitchens to be established in Delhi and (ii) other existing running kitchen in Delhi or outside Delhi (Reference Kitchen) for reference purposes.
10. The supply of meal for each selected applicant/service provider shall be limited to Maximum 02 group of Atal canteens (One Group is Consisting Of 05 Atal canteen Distribution points) based upon the criteria prescribed in the RFP.
11. However, the final right rests with the DUSIB in respect of allotment of Groups for supply of meal under Atal Canteen Scheme allotted to the Agency/Organization on the basis of its performance or in the interest of Scheme.
12. The per meal rates as decided by the Government of NCT Delhi from time to time, shall be applicable and the agency shall be bound by the same.
13. The rate per meal for the menu prescribed in the RFP shall be ₹5/- per meal, to be collected from the beneficiary by the agency, and ₹25/- per meal shall be reimbursed to the agency for the meals served, based on the number of tokens issued.
14. The Cooked meal menu per person is as under :-

S.No.	Menu Item	Quantity	Meal Timings
1	Chapatti/Paratha/Roti	300 gram	Lunch: 11.30 AM – 02:00 PM Dinner: 06:30 PM – 09:00PM)
2	Dal/Rajma/Choley/Mixed Dal	100 gram	
3	Seasonal Vegetable	100 gram	
4	Rice	100 gram	
5	Pickle	As Required	
	Total	600 gram per meal	

15. The meal timing is suggested to ensure that the hot cooked meals could be transported from the Kitchen to the distribution points immediately after its preparation. The gap between preparation and distribution of meals has to be minimal for ensuring that food is fresh and does not become unfit for human consumption. Meals shall be freshly cooked separately for lunch and dinner, ensuring the inclusion of different varieties of dal and seasonal vegetables. The menu for lunch shall be distinct from that of dinner, and the dinner menu shall also be different from the next day's lunch menu, to maintain variety. The agency may adjust the type of vegetables and dal for lunch and dinner with the prior approval of the Department.
16. The spices and cooking style shall be mild and Delhi-style (North Indian palate), ensuring the food is suitable for all age groups and promotes minimal wastage. Only FSSAI-licensed kitchens shall be used for the preparation of meals. The Department shall conduct Social Audits of the scheme periodically to assess the quality, hygiene, beneficiary feedback, inspection of kitchens, and review of food safety and financial records. The use of FSSAI-compliant raw materials shall be mandatory for all kitchens engaged in the scheme.
